

## Who Created It and Why?

Molly's Place at the CHaD Family Center was created in 2002 by families and the staff of CHaD to be a welcoming place that provides families with education, information and community connections. The center has an Advisory Board that meets twice a year to talk about the Center's work and initiatives. Please let us know if you would like more information.

“ I like to take a break in Molly's Place when I have to be at the doctor's for a long time. I have fun in there and I don't even think about my doctor stuff. Staff is so caring and helps me and my mummy with stuff.”

– Emelia A. (age 6)

“ Love our Health Care Notebook! All the information we need at our fingertips, nice to be able to reference things quickly.”

– Michelle P.

## Where is Molly's Place?

Molly's Place is located in the CHaD Outpatient Center on the sixth floor of the Faulkner Building at Dartmouth-Hitchcock Medical Center in Lebanon, New Hampshire.

## How is the Family Center Funded?

The CHaD Family Center is supported by gifts from the Hendricks/Felton Family Foundation and other family and Friends of CHaD. Financial contributions ensure the Center's future. Call the Boyle Community Pediatric Program at (603) 653-1488 for more information.

# Molly's Place at The CHaD Family Center

A Place for Everyone

201009-239

**Molly's Place** is a special place for families to visit, where they can relax and unwind while their child plays in a safe, child-friendly environment. You'll find:

- Support for you, your child and family
- Computers for your personal use
- A comfortable spot for nursing your baby
- Help in creating an on-line Care Page or other personal needs
- Things to do and see in the medical center and in the region
- Fresh fruit, coffee and snacks.

## Who Uses Molly's Place?

Molly's Place is available to each and every family at DHMC:

- Before/After/Between appointments
- Waiting for a loved one to get out of surgery
- Taking a break from visiting an inpatient.

### Strollers

For your convenience Molly's Place has strollers for families to borrow within the hospital to allow for easier transitions.

### Health Care Notebooks

Your own convenient three-ring binder is available to help you keep track of important information related to your child's health needs.

### 5210 Challenge

Is your family meeting the daily guidelines for nutrition and physical activity? Take the challenge at Molly's Place and find more resources in your community to support 5210.

### Safety Helmets: "It's The Law"

Helmets protect all heads. Talk with your primary care provider to find out more.

## Resources

### Sibshops

An Upper Valley group for siblings of children with special health and developmental needs, Sibshops is a mix of information and discussion activities with games.

### Lending Library

For children and families with a wide selection of books on childhood illness, disabilities, parenting and much more. You can also visit our Lending Library at [www.libraryworld.com](http://www.libraryworld.com).

### Community Health Bulletin Board

Monthly themes that provide families and staff with information and resources on child health and safety.

### Connections

Connect with other local, regional and community resources to assist with your family's health care needs.

### Molly's Place Website

Many services are also available to you on our website. You'll find information and resources, Health Care Notebook forms, lending library information and much more.
